The Eritrean Orthodox Tewahedo Church is one of the Oriental Orthodox churches. It was formerly a part of the Ethiopian Orthodox Tewahedo Church, its autocephaly being reluctantly recognized by the Ethiopian Patriarchate after Eritrea gained its independence in 1993.

The Ethiopian Bible is the oldest and most complete bible on earth. Written in Ge'ez an ancient dead language of Ethiopia it's nearly 800 years older than the King James Version and contains over 100 books compared to 66 of the Protestant Bible. The Ethiopian Bible includes the Books of Enoch, Esdras, Buruch and all 3 Books of Meqabyan (Maccabees), and a host of others that were excommunicated from the KJV. Books of the Ethiopian Bible features 20 of these books that are not included in the Protestant Bible.

Surrounded by steep escarpments to the north, south and east, Ethiopia has always been geographically and culturally set apart. It has the longest archaeological record of any country in the world. Indeed, this precipitous mountain land was where the human race began. It is also home to an ancient church with a remarkable legacy. The Ethiopian Church forms the southern branch of historic Christianity. It is the only pre-colonial church in sub-Saharan Africa, originating in one of the earliest Christian kingdoms-with its king Ezana (supposedly descended from the biblical Solomon) converting around 340 CE. Since then it has maintained its long Christian witness in a region dominated by Islam; today it has a membership of around forty million and is rapidly growing. Yet despite its importance, there has been no comprehensive study available in English of its theology and history. This is a large gap which this authoritative and engagingly written book seeks to fill. The Church of Ethiopia (or formally, the Ethiopian Orthodox Tewahedo Church) has a recognized place in worldwide Christianity as one of five non-Chalcedonian Orthodox Churches. As Dr Binns shows, it has developed a distinctive approach which makes it different from all other churches. His book explains why this happened and how these special features have shaped the life of the Christian people of Ethiopia. He discusses the famous rock-hewn churches; the Ark of the Covenant (claimed by the Church and housed in Aksum); the medieval monastic tradition; relations with the Coptic Church; co-existence with Islam; missionary activity; and the Church's

venerable oral traditions, especially the discipline of qene—a kind of theological reflection couched in a unique style of improvised allegorical poetry. There is also a sustained exploration of how the Church has been forced to re-think its identity and mission as a result of political changes and upheaval following the overthrow of Haile Selassie (who ruled as Regent, 1916-1930, and then as Emperor, 1930-74) and beyond.

ÔBlessed are thou that does seeth the depths, seated upon the CherubimÕ Established By Qadamawi Haile Selassie For His Coronation Nov. 2nd, 1930 Upon David Throne and Crowned: The King of Kings and Lord of Lords! Conquering Lion of the Tribe of Judah! Qadamawi Haile Selassie! Meaning: First Power of the Holy Trinity Ð The Father and the Son and the Holy Spirit, One God Amen! Also, Knowing that these four Cherubim, was seen by the Holy prophets carrying the Holy Trinity, See Isaiah 6:1-6, Ezekiel 10:1-22 and St. John Revelation 4:1-11. This same Holy Trinity is now made manifested in Our time as the twenty four elders make knowing to John as he was in tears, and told to wept not, Behold the Lion of the tribe of Judah, the Root of David has prevailed when the Holy angel ask the proclaiming Question of who is worthy to open the book and loose the seven seals! Until the whole world begins to accept the Living truth, the evil will continue but only for a short time, and that is not far away now.

Whether you are just beginning your journey into the Ethiopian Orthodox Tewahedo Church or have long been a member but are looking for answers to your questions about the church, "I Need Answers" is for you. Although the answers are gathered from Church fathers and holy books, the style of writing provides clear answers to complicated questions. The past few years the Ethiopian Orthodox Tewahedo Church has seen her youth leaving in mass numbers. Why? Mainly because the youth cannot get understandable answers to their questions. The Church uses Amharic as its primary language and Ge'ez as the liturgical, preventing young people born in America from being able to understand the worship or teaching of the Ethiopian Orthodox Tewahedo Church.. Deacon Dawit Muluneh, who has traveled around the United States teaching and preaching during the last decade, has gathered the most frequently asked questions and provided answers in a way that can be understood by the youth. Each chapter focuses on a particular question, addressing central themes of Christianity and teaching about the uniqueness of the Ethiopian Orthodox Tewahedo Church. It also addresses issues specific to young adults like spiritual dating and depression and more controversial issues like homosexuality in the context of the church.

Faith is the means by which we understand "the worlds were framed by the word of God, so that the things which are seen were not made of things which are visible" (Heb 1:2-3)

**\*\*Language: Ge'ez, Amharic, English & English Phonetic Transcription (Side-by-Side)\*\*** The complete Ethiopian Liturgy of St. Dioscorus in English The complete Ethiopian Liturgy of St. Dioscorus in English, Amharic and Geez. This is the story of a handful of courageous men and their congregations who risked stable occupations, security and the approval of life-long friends to be obedient to God's call. It is also the story of every believer who is searching for the Church. Where Christ is Lord. Where holiness, human responsibility, and the sovereignty of God are preached. Where fellowship is more than a covered-dish supper in the church basement. And where fads and fashions take a backseat to apostolic worship and doctrine.

This is a translation (8th edition-2013) of The Aramaic New Testament (Aramaic was the language of Jesus and his countrymen of 1st century Israel) in a literal English prose translation of The Peshitta New Testament. A translation of the Psalms & Proverbs from the ancient Peshitta OT Version is included at the end. This translation is derived from the author's Aramaic-English Interlinear New Testament and The Psalms & Proverbs interlinear. Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic and accurate as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Yeshua" ("Jesus" in ancient Aramaic) as He originally spoke them, in a literal and readable English rendering. 389 pages paperback without notes

Security is a key topic of our time. But how do we understand it? Do law and religion take different views of it? In this fifth volume in the Law and Religion in Africa series, radicalisation, terrorism, blasphemy, hate speech, religious freedom and just war theories rub shoulders with issues of witchcraft, female genital mutilation circumcision, child marriage, displaced communities and additional issues besides. This unique collection of topics is both challenging and inspiring, providing illumination in troubled times, and forming a sound foundation for future scholarship.
