Packed with anecdotes, sidebars, quotes, and illustrations, A Kids' Guide to the American Revolution brings vividly to life the birth of our nation. Introduce young readers to the stakes, challenges, setbacks, and victories involved in the single most important event in our nation's history, the American Revolution, with this approachable book from Kathleen Krull, a Children's Book Guild Nonfiction Award winner. Find out what events led our young nation to go to war with Great Britain and how the Declaration of Independence, the document that continues to shape our civil rights, came to be. • Why did the colonists want independence from Great Britain? • What brought on the Boston Tea Party? • How did the Declaration of Independence initially impact women and slaves? • What did Benjamin Franklin do to convince the French to join the revolution? • How was George Washington chosen to lead the new young country? • What elements of the Declaration of Independence continue to be debated today? Kathleen Krull is an expert at bringing history to life in her engaging titles and series, including Women Who Broke the Rules, Lives of Giants of Science, and her other books in A Kids' Guide series, A Kids' Guide to America's Bill of Rights and A Kids' Guide to America's First Ladies.

This fun and practical cat care book written just for kids will guide young cat owners in how to provide a safe, healthy environment, deliver daily care, and ensure positive interactions and rewarding, long-term relationships with feline friends. Pet expert Arden Moore helps kids understand how cats think and what they need to be happy and healthy, whether socializing a spunky new kitten or welcoming an adult cat into a household. Along with essentials on topics such as how to read a cat's body language and proper litter box protocol, fun and fascinating features cover the history of cat-human relationships, why and how cats purr, "ask the vet" Q&As, trivia, DIY cat toys, and even tips for training a cat to come when called (yes, you can!). Information-packed and filled with photography and colorful illustrations that infuse each page with feline energy, A Kid's Guide to Cats equips kids with everything they need to know to be great cat caretakers and companions.

Before you plan your family's next Big Apple excursion, get some help from a professional . . . and from your kids! The Kid's Guide to New York City lets the kids help plan the trip and guides you as you explore the city, neighborhood by neighborhood. Inside you'll find kid-tested tips on where to go, where to eat, what to see, and where to get the best souvenirs. Along the way the kids will be engaged by sharing fun New York facts and cool tips. Awesome games will keep everyone busy as you crisscross the city on foot, by subway or bus, or in a cab.

A celebration of the amazing human machine and a life on the move! Your amazing body can jump, sprint, twist, and twirl. Your body is built to move. Lizzy Rockwell explains how your bones and muscles, heart and lungs, nerves and brain all work together to keep you on the go. Kids walk and skate and tumble through these pages with such exuberance that even sprouting couch potatoes will want to get up and bounce around—and that's the ultimate goal. Studies show that American kids are becoming more sedentary and more overweight and that they carry these tendencies with them into adolescence and adulthood. Experts agree that we need to help kids make physical activity a life-long habit. Through education, information, and encouragement, this book aims to inspire a new generation of busy bodies!

The Earth is warming. The climate is changing. Sea levels are on the rise, and plastic is showing up... everywhere. We have every reason to be concerned about our planet, our only home. New inventions and technologies will help, but cleaning up the planet--saving the world--will require all of us to pay attention and take action. What can you do to help? Plenty! Despite what you may hear on the news, the situation isn't hopeless, and we aren't helpless. In this inspiring, informative book, nationally recognized meteorologist Paul Douglas clearly and thoughtfully presents the daunting problems of climate change. And he offers realistic solutions (including some that are already working!) and actions that kids can participate in now. It's imperative that we all step up and become part of the solution, by engaging in new, smarter ways of living.

Help Kids Harness the Power of Their Words Words are tools your child (age 8-12) can use to bless others and praise God. With wisdom and guidance, your child can use words to praise the Lord be wise bless others be thankful heal instead of hurt others ...and so much more! Each chapter contains valuable teaching from Dr. Tony on the power of the tongue and includes practical questions designed to get your child thinking and writing about what he or she has just read. Help your child learn to say the things that bring honor to God and to others.

What do you like? How do you feel? Who are you? This brightly illustrated children's book provides a straightforward introduction to gender for anyone aged 5-8. It presents clear and direct language for understanding and talking about how we experience gender: our bodies, our expression and our identity. An interactive three-layered wheel included in the book is a simple, yet powerful, tool to clearly demonstrate the difference between our body, how we express ourselves through our clothes and hobbies, and our gender identity. Ideal for use in the classroom or at home, a short page-by-page guide for adults at the back of the book further explains the key concepts and identifies useful discussion points. This is a one-of-a-kind resource for understanding and celebrating the gender diversity that surrounds us.

An introduction to money management for young readers covers such areas as saving for large purchases, following the stock market, understanding cumulative value, avoiding rip-offs, and selecting a charity. Simultaneous.
