Hello everyone! silentshell here for my 3rd Smitefire Arena guide. Ares kit allows for, in my opinion, the most aggressive play style for any guardian in SMITE. The way he is set up, when properly built up, Ares can constantly harass the other team in solo and/or teamfights, secure his own kills, set up teammates for kills, and optimally he can pull the entire enemy team where you want them so that you and your team can maximize damage to them.
