## Elementary

Probability need  
in their  
training.

Although the  
treatment of the  
subject is  
surely sufficient  
for non-  
mathematicians,  
I intentionally  
avoided getting  
too much into  
detail. For  
instance, topics

Read Book

Elementary

such as mixed  
type random  
variables and  
the Dirac delta  
function are  
only briefly  
mentioned.

Courses on  
probability  
theory are often  
considered  
difficult.

However, after  
having taught

# Read Book

## Elementary

this subject for many years, I have come to the conclusion that one of the biggest problems that the students face when they try to learn probability theory, particularly nowadays, is
