Pathophysiology: The Biologic Basis for
Disease in Adults ...

Huether and McCance. At least once a year,
the media report on a seemingly healthy
teenage athlete collapsing during a sports
game and dying of heart complications. These
incidents continue to outline the importance
of physical exams and health screenings for
teenagers, especially those who play sports.
During these health screenings, examiners
check for cardiovascular alterations such as
heart murmurs because they can be a sign of
an underlying heart disorder.
